- Generating value for clients

Major Drilling Group International Inc.

- One of the world's largest drilling services companies primarily serving the mining industry.
- Has over 1,000 years of combined drilling experience and expertise within its management team alone.
- Maintains field operations and offices in Canada, the United States, Mexico, South America, Asia, Africa and Europe.
- Registered in over 20 countries.

Our Corporate Strategy

- Be the world leader in specialized drilling;
- Diversify our services within the drilling field;
- Maintain a strong balance sheet;
- Be the best in class in safety and human resources; and
- Modernize our fleet with innovation and expand our footprint in strategic areas.

Our Mission

Major is a specialized drilling company that delivers on even the toughest sites through our knowledge, extensive experience, focus on safety, and commitment to meeting the local needs of every customer. With the best people on the ground and a modern, diversified drilling fleet, we partner with our customers and local communities for outstanding results.

Sincerely,

Denis Larocque

President/CEO
